Day 1: Arrive Miami

Arrive in Miami and transfer on your own to your Miami airport hotel. This evening an Informational Briefing will be held at the hotel about tomorrow's charter flight to Havana and the start of your people to people experience in Cuba. The evening is at leisure. **Overnight: Miami**

Day 2: Miami - Bienvenidos a La Havana Cuba!

This morning transfer to the Miami International Airport and check in for your short flight to **Havana, Cuba**. Upon arrival at the **Jose Marti International Airport** and clearing customs, we'll meet our local **bilingual Cuban Guide** outside the baggage terminal. Your drive from the airport orients you with Cuba's enigmatic capital city, whose nearly 500-year Old Havana (Habana Vieja), is home to the largest collections of Spanish-Colonial architecture in the Americas. Make a photo stop and learn more about the **Plaza of the Revolution**, the center of Cuban political life and Havana's largest plaza where huge rallies are held. Your Cuban guide speaks below the grandiose portraits of national heroes Che Guevara and Camilo Cienfuegos, and gives you time to reflect on the fact that you're standing where millions of Cubans have stood while listening to speeches of Fidel Castro. Next enjoy lunch at a local restaurant. Religion has always played an important role in Cuban society that continues today, enjoy a walking tour with a local historian of the fascinating **Colon Cemetery** (Cementerio de Cristobal Colon), founded in 1876 and named for Christopher Columbus. The cemetery is noted for its many elaborate sculpted memorials and contains more than 500 major mausoleums, chapels and family vaults and is considered by many to be the most ornate necropolis in the world and is the final resting place for noted Cubans including artists, writers, musicians and ballplayers. Check into your hotel and unpack for a **five-night stay**. Dinner is included this evening at the hotel.

Overnight: Havana (L,D)

Day 3: Havana - Old Havana (UNESCO) - Casa Fuster

This morning enjoy a **guided walking tour** of pedestrian only **Old Havana**, a **UNESCO World Heritage Site**. See the beautiful **Cathedral de la Havana**, built in baroque style in 1748 and learn about its preservation and continuous restoration. Cuban writer Alejo Carpentier described the building as "music turned to stone." Visit the **Marqueta Vieja Havana Museum** that houses the scale model of the City of Havana and to meet with an expert on the city's architecture and restoration efforts. **Begin with a presentation and lecture from a local architect who discusses Havana's unique architecture, the current challenges of restoring the city's historic buildings and the future of the city's restoration effort.** Following lunch in Old Havana we visit the famous **Museum of the Revolution** that displays documents and artifacts, weapons and planes from the revolution. See artifacts & learn more about the Bay of Pigs, the 1961 historic clash between the CIA trained Cuban exiles & rebel forces, the event that defined US-Cuba relations for decades. The museum is housed in the former Presidential Palace which was the home to Cuba's leaders from the 1920's until 1959. This building offers beautiful architecture as well as an interior that was designed by Tiffany's. Next head to the charming fishing village of Jaimanitas to visit the incredible **Home and Work Shop** of world famous artist, painter and ceramicist **Jose Fuster**, often called the "Picasso of Cuba". He has adorned a neighborhood with colorful ornate murals and domes. Here we spend time with the Fuster family and staff to discuss the influence of the artist's work and their lives and community.

Overnight: Havana (B,L)

Day 4: Havana - Cuban Literacy Museum - Pro Danza

The day starts with a discussion at the **Cuban Literacy Museum** where we'll learn about a national effort to educate rural farmers and families. The two things of which Cuba is most proud, and which it most emphasizes, are health care and education. The campaign to make all illiterate Cubans literate within one year was announced by Fidel Castro in his speech to the United Nations in 1960. By 1961 the campaign had largely succeeded. This small museum's treasures include uniforms worn by literacy campaign participants, books, manuals and more. Next enjoy a performance by the amazing **Habana Compas Dance Group** OR a visit to the **Pro Danza Dance School**. This dance school trains 800 students each year in Cuban ballet and other European styles, folklore dance and more providing all with an opportunity to study, grow, and perform. Interact with the students and teachers to learn more about the Cuban dance culture. Today lunch is included at the **Nacional Hotel**, once Havana's flagship hotel that has hosted celebrities and world leaders during its heyday, such as Winston Churchill and Frank Sinatra, to name a few. Enjoy a tour of this historic property housing pictures and nostalgia from a by gone era. Meet a **former famous professional Cuban baseball player** and join in a discussion regarding the history and love of this game in Cuba and the U.S. Next take part in a tour and discussion at the **Bocoy Rum Factory** established in 1878. Here we interact with a docent and factory workers to learn about this true working factory and museum dedicated to the rum making process and rum industry in Cuba. Afterwards, enjoy a sample of the rum produced in the factory.

Overnight: Havana (B,L,D)

Day 5: Havana - Vinales Valley (UNESCO) - Pinar Del Rio - Havana

Today we travel out of Havana and into the rural Cuban countryside to the **Vinales Valley** located in the western most mountainous range in Cuba and declared a **UNESCO World Heritage Site**. This region, the western province of **Pinar del Rio** is known for its stunning scenery, a landscape of prehistoric looking flat-top mountains or “mogotes”, tobacco plantations, caves and rivers. Stop at the **Francisco Donatien Cigar Factory** for a guided visit to learn about the manufacturing of fine Cuban cigars and interact with the factory workers about the history and process. The factory specializes in Cohiba & Monte Cristo cigars. Next, visit a traditional **Tobacco Farm and Farmhouse** to meet with the farmer to learn about tobacco cultivation, the drying process and experience a cigar rolling demonstration inside the drying hut. Enjoy a visit inside his farmhouse, meeting and interacting with his family while enjoying some Cuban coffee. A great opportunity to witness up close, how Cuban families live in a rural setting. Later stop at the **Los Jasmynes viewpoint** on the way back to Havana for incredible panoramic views of the **Vinales Valley** and an opportunity to enjoy the spectacular scenery and take photos of this beautiful and unique region.

Overnight: Havana (B, L)

Day 6: Havana - Hemingway Farm - Havana

Today join a discussion and enjoy a choir performance with choir members from the **Cuban Institute of Music** and their director. Next enter the world of Ernest Hemingway with a visit to **Hemingway's Farm, Finca La Vigia** (meaning ‘lookout house’). This beautiful property hosts the house where the Nobel Prize winner lived with his wife Martha for 21 years. View the perfectly preserved home where many of the Hemingway personal belongings remain intact. View his yacht on display, the Pilar in which he used to patrol for Nazis in the Caribbean waters and featured in his novel “Islands in the Stream”. Next visit the **San Jose Craft Market and Art Center** or similar to meet and interact with the local artists to discuss and learn of the importance of their art in Cuban culture. Learn from the artists who share their experiences of pursuing the arts with limited access to materials and funding. Before dinner, meet with the local **Old Style Car Club**. Learn why Havana’s streets are filled with vintage American automobiles and understand what it takes to keep them on the road. Enjoy a drive through the streets of Havana in a vintage car to your **Farewell Dinner** at a local **Paladar** (a privately owned restaurant). After dinner you have an opportunity to meet and discuss with the owners how this private enterprise works in Cuba.
